

SEWING SHOP SUPERVISOR

Starling Aerospace is seeking an experienced **Sewing Shop Supervisor**.

Key responsibilities:

- Proficiency in the operation of industrial sewing machines, including Walking Foot, Flatbeds, and Over-lockers, for the production of leather seat covers, holdalls, and other aviation accessories.
- Develop patterns for new seat covers using existing foams and covers, as well as for accessories like holdalls.
- Productionize the patterns you develop to ensure they are suitable for the entire team, look aesthetically pleasing, and use materials efficiently.
- Manage the sewing shop team to maintain high quality standards and output, including distributing work to machinists based on skill level, providing coaching, and checking quality (e.g., seam width) during work-in-progress (WIP).

Required skills:

- Experience of working with leather is essential
- Top stitching
- Detail sewing
- Twin-needling
- Finishing

Hours:

- 40 hours per week
- Monday to Thursday: 7:30am - 4:30pm
- Friday: 7:30am - 2:00pm
- Overtime as required by the business

Job type:

Full-time, based at Starling's factory in Leatherhead

Experience:

Sewing Shop Supervisor: 2 years' experience (preferred)

Salary:

Depending on experience

Benefits:

- 28 days of leave, including 8 Bank Holidays
- Casual dress code
- On-site parking

Location:

Preference will be given to applicants residing within a 50-mile radius of the business location (postcode: KT22 7NA), as the role is onsite.
