

JOB ROLE SPECIFICATION

AIRCRAFT TRIMMER

Starling Aerospace is seeking an experienced **Trimmer/Upholsterer**

Starling is seeking an experienced aircraft Trimmer for an immediate start at its workshop facility in Leatherhead, Surrey.

The successful candidate must be multi-skilled in all aspects of soft trim furnishings, including flat and curved panel finishing, seat upholstery, pattern development and fitment to a very high standard.

Skills in trimming of Tedlar, leather and other covering materials are essential.

The role demands that the person is able to work independently and be able to develop seat upholstery and style from conceptual drawings and photos from bare frame to finished product. This will include foam work, pattern development, sewing / top stitching and fitment of finished article.

The candidate **MUST** be able to read engineering drawings, be a good team player and have current experience in aircraft, marine or related industries.

Required skills:

- Soft trim furnishings, seat upholstery, pattern development
- Trimming leather and Tedlar
- Sewing / top stitching
- Competent in understanding engineering drawings

Hours:

- 40 hours per week
- Monday to Thursday: 7:30am - 4:30pm
- Friday: 7:30am - 2:00pm
- Overtime as required by the business

Job type:

Full-time, based at Starling's factory in Leatherhead

Experience:

At least 2 years' experience (preferred)

Salary:

Depending on experience

Benefits:

- 28 days of leave, including 8 Bank Holidays
- Casual dress code
- On-site parking

Location:

Preference will be given to applicants residing within a 50-mile radius of the business location (postcode: KT22 7NA), as the role is onsite.
